LEGO MINDSTORMS Education

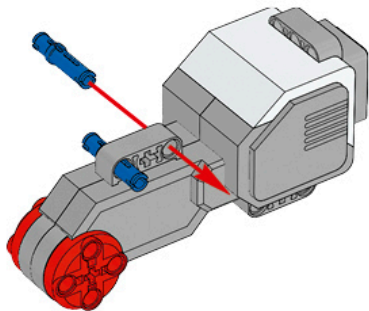

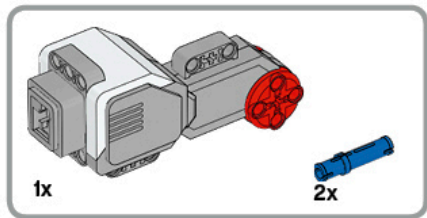

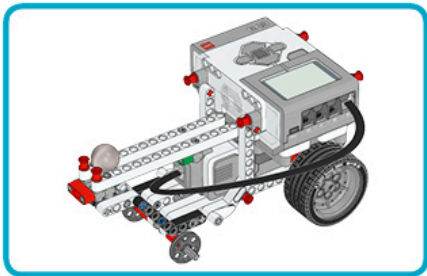

The advertisement features a central image of the LEGO Mindstorms EV3 Core Set, a three-wheeled robot with a large grey motor and a color display. To the left of the robot is a circular icon with six segments, each containing a different sensor or component. To the right, the text 'Core Set' is prominently displayed in a large, bold font, with translations in German, French, Spanish, and Italian below it. Further down, the word 'ALAPKÉSZLET' is written in a large, bold font. Below the main robot image, there are four smaller images showing different sub-assemblies of the set. At the bottom left, there is a Wi-Fi icon and a box indicating compatibility with iPod, iPhone, and iPad. At the bottom right, the LEGO logo is followed by 'education' and 'EV3'.
